

Proposed Section 7 of S. 1779

Sec. 7. No department, agency, officer, or employee of the United States shall require any recipient or any other beneficiary of any grant made under this act to enter into any agreement to engage in intelligence activities relating, directly or indirectly, to any activity supported by such grant; provided, however, that nothing contained herein shall preclude any such recipient or other beneficiary from voluntarily providing the United States Government any information directly relating to the national security or the violation of any criminal law of the United States.
